ABOUT DRIVETIME DEVOTIONS SMALL GROUP STUDIES

Welcome to this special Drivetime Devotions, small group study. This 22-week study is designed so that you can enjoy Drivetime Devotions as a podcast throughout the week and then talk about it with your small group. This will allow for more time in your small group for discussion, application, and fellowship.

The purpose of Drivetime Devotions is to help you know God's Word and put it into practice. It's usually better to study small sections of God's Word each day instead of a larger section once a week. Studying the Bible is like eating—you'll be healthier if you eat small amounts each day rather than one big meal a week! Episodes are designed to be listened to once per day, five days a week. In the event you miss a day or two, you can still stay on schedule.

HOW TO USE THIS INTERACTIVE STUDY GUIDE

This study guide is designed to be used as a downloaded file on your tablet or phone. You do not need to print it out unless you want to.

A FEW TIPS BEFORE YOU DIG IN

LISTEN

Prepare yourself before each study by listening to each week's five daily podcast episodes (one per day).

CHECKING IN

Open each meeting with a time for everyone to check in on each other's progress with the podcast. Accountability is a key to success in this study!

KEY VERSE

Each week you will find a key verse (or verses) from the chapter you are studying. You may want to memorize this verse together as a group.

DISCOVERY QUESTIONS

These are questions for group discussion. Please don't feel pressured to discuss every single question. The material in this study is meant to be your servant, not your master. Therefore there is no reason to rush through your discussions. Give everyone ample time to share their thoughts.

Some questions will reference the verses from which they are taken. Many groups will want to have someone read those verses accompanying the question. There is something powerful about hearing the Bible read aloud together as a group.

LIVING ON PURPOSE

This section helps you encourage each other in balancing God's five purposes of evangelism, discipleship, fellowship, ministry, and worship. Each week, there will be a prayer, practical action, or personal assignment that focuses on one of these purposes.

PRAYING TOGETHER

At the end of each session you will find suggestions for your group prayer time. Praying together is one of the greatest privileges of small group life. Please don't take it for granted.

Get ready for God to do incredible things in your life as you begin the adventure of learning more deeply about the most exciting message in the world: the truth about God!

A FEW TIPS BEFORE YOU DIG IN

TELL A FRIEND

As you go through each session, the Holy Spirit may bring to mind different people in your life. You may even want to write their names down beside a point, phrase, or verse in the margins. Take the opportunity to share God's Word in a friend's life during the week.
